CHARACTER TRAIT

The character trait for the month of April is "Cooperation". Cooperation is to work together as a team and allow others to voice their opinion. The character trait for the month of May is "Self-Control". Self-Control is the act of denying yourself, controlling your impulses. Parents, please help us to help your child promote "Cooperation and Self-Control" throughout the two months.

District Email Addresses To Change After Spring Break

When it comes to email addresses, the Mehlville School District thinks that shorter is faster and more efficient for employees, parents and anyone who does business with the District. So, when schools reopen after Spring Break on Wednesday, April 4th, a new shorter email address will be activated.

Employee and student email addresses end with @mehlilleschooldistrict.net. That's 28 characters. The new ending for all District emails will be @msdr9.org. That's just 10 characters.

To help with the transition, both @mehlilleschooldistrict.net and @msdr9.org will work for the rest of the school year and throughout the summer. But when the 2018-2019 school year begins in August, the old email address will be deactivated and people will have to use @msdr9.org as their email address.

TROOPS/FIRST RESPONDERS

Let us continue to keep our troops and First Responders in our thoughts and prayers as well as wish them safety as they protect our country, homes and our lives this 2017/2018 school year.
