1. BUDGET MESSAGE

June 23, 2022

Board of Education
Mehlville School District

Dear Members of the Board of Education,

Submitted for your approval is the annual budget for the 2022-23 school year.

This budget was prepared by the Chief Financial Officer based on discussions with every department head, the Cabinet, the Superintendent, the Finance Committee, the Board of Education, and the community.

The budget contains a lot of data. The most important focus is the "Executive Summary" in the first 2 pages of the Budget Message in section #1. If you want more details without studying the entire document, the next level of focus should be the footnotes on page 1 of the cash flow section, page 1 of the revenue section, and page 1 of the expense section which will give you a comprehensive overview of the budget.

Respectfully submitted,

Marshall Crutcher
Chief Financial Officer

BUDGET MESSAGE FY23 - KEY BUDGET COMPONENTS & ASSUMPTIONS

Introduction

The budget message discusses key budget assumptions and estimates, cash flow, operating results, revenues, expenses, and forecast comments. **Key points are highlighted in the executive summary section.**

EXECUTIVE SUMMARY

1. **FY23 operating gain/loss** is break-even compared to \$.6M FY22 operating loss. FY23 **operating loss was initially \$2.0M** before **reducing COP reallocation funds** allocated to the Capital Fund by \$2M to obtain break-even for operating funds. (see cash flow page 1, note 2)
2. **Cash reserve.** Historically, reserves are 23.7% in FY14, 21.3% in FY15, 25.0% in FY16, 26.7% in FY17, 28.8% in FY18, 30.3% in FY19, 36.2% in FY20, and 35.9% in FY21. FY22 forecast is 32.0% (decrease of 3.9%) and **FY23 budget is 30.3%**. (See cash flow page 3)
3. **COP Fund reallocation of 45.25 cent tax levy.** \$9.7M (45.25 cents) tax levy revenue, previously used for COP debt, is now reallocated in FY23 to use **\$2.6M (12 cents)** for Prop S **bond debt, \$3.8M for General Fund, and \$3.3M for Capital Fund** reserves for future HVAC needs. The **initial plan in FY22** was to gradually increase the General Fund allocations by \$1M through FY28, and reserve the remaining funds each year into the Capital Fund for future HVAC needs. This would have **placed \$23M into the Capital Fund over 7 years**. Due to increasing deficits, the amount reserved for the Capital Fund in **FY23 is \$2M less than planned** originally. The cumulative capital funds reserved over 7 years is **now estimated to be \$12.5M** instead of \$23M. (see cash flow page 4 and 5)
4. **Forecast.** Forecast schedules show **FY26 operating deficits growing to \$4.3M** and a cash reserve of **21.2%**. While the forecast can vary significantly plus or minus, the overall trend indicates a **critical need to develop revenue plan for operating fund deficits**.
5. **Finance dashboard benchmarks.** See the **Finance Dashboard schedule on page 6** in the Cash Flow section. This DESE website data clearly shows the district is operating with less resources than virtually all 22 county districts **ranking 21st in operating expense per student** (daily operations), and **last in tax rate and debt per student** (capital projects for infrastructure). The following points should be considered while developing strategic financial plans.
 - Salaries and benefits are **over 85%** of operating fund expenses. Yet **Prop R, Prop A, and Prop S** addressed capital needs, and staff positions were restored or added. But it did **nothing to improve competitive pay** to attract and retain existing staff.
 - So, **how much salary is needed** to effectively retain and attract all staff positions? We don't know because **we don't have salary targets** for each position, therefore we cannot quantify the cost needed to hit the target. The BOE should require such calculation to **better understand how annual salary decisions move closer to the target and to enable calculating tax levy needs**.
 - **34 interventionists** were added to 17 schools and are **funded by ESSER** at a FY22 cost of **\$2.3M for salaries and benefits**. Existing deficits do not allow these interventionists to be retained when ESSER funding **ceases after FY24**. The cost of retaining this staff after FY24 is **estimated at 12 cents of tax levy**.
 - So **what is an appropriate revenue benchmark** for Mehlville? Mehlville has the **4th largest enrollment** of the 22 county districts. The **larger districts are Rockwood, Parkway, and Hazelwood** and all have higher tax rates. In many aspects, Mehlville is **NOT comparable** to any of these 3 larger districts, such as community culture, community wealth, student demographics, ELL %'s, etc..... However, it is helpful to

be able to **benchmark how the Mehlville tax rate and revenue per student compares with other larger districts**. Therefore, **for only those isolated factors, I make a comparison**. Hazelwood's higher tax rate is understandable due much lower assessed values, but Parkway and Rockwood have higher or similar assessed values. If Mehlville **matched Parkway's tax rate it would be 34 cents higher** and produce **\$7.2M more revenue per year**. Even with this rate increase, **Parkway's revenue per student is more since their assessed value per student is 45% higher**. To **match Parkway revenue per student**, Mehlville would have to raise the tax rate **roughly 49 cents instead of 34 cents**. Similarly, if Mehlville matched **Rockwood's tax rate** it would be **46 cents higher** and produce **\$9.8M more revenue per year**. Since **Rockwood's assessed value per student is 6% lower**, to match Rockwood revenue per student, Mehlville would have to raise the tax rate **roughly 43.5 cents instead of 46 cents**. **None of this factors the higher percentage of ELL students** compared to all other county districts. **Tax revenue must be increased or else major cuts will be needed in the future**

- Mehlville has the **highest percentage of ELL students in the county**. This increases the cost of education to hire additional education specialists. **When factoring comparable revenue benchmarks, Mehlville needs additional tax revenue to level the education playing field to compensate for the higher cost of ELL**. The 34 interventionists that were mentioned earlier cost \$2.3M plus other costs associated with ELL. This must be factored into revenue targets. So, when comparing to any other district tax rate, **there must be an ELL factor that is added to the tax rate to equate to equal education**.
6. **ESSER II/III funding**. \$4.7M ESSER funds are budgeted to be spent in FY23 compared to \$3.5M forecast to be spent in FY22. Revenues offset the expenses so **net impact to operating funds is zero**. (see cash flow page 1, note #5)
 7. **Prop S** bond proceeds of \$37.7M were received FY21. Cost of issuance is \$325K paid in FY21. \$2.5M capital projects expense is forecast for FY22 and \$17M is budgeted for FY23 but this may significantly fluctuate based on project timing. (see capital section, pages 1 & 2)
 8. **Food service Fund (non-operating funds)**. FY22 forecast gain is \$2.5M due to the federal program providing free meals to all students but is discontinued for FY23. So FY23 is back normal break-even operations plus \$.7M for kitchen remodeling that puts the fund loss to \$.9M. The kitchen remodeling was made possible by the FY22 gains. (see cash flow page 1, note #7)
 9. **Health insurance rates** are budgeted to **increase 9.5%**. 2022 calendar year-to-date claims **through May have increased 34.5%** while the USI Consulting last fall **projected 2.4% increase**. They are studying current trends to determine how much of the increase is due to claim volume versus claim rate increases. Due to inflationary trends, labor shortage, and salary spikes, there **may be significant adjustments to both rates and coverage changes**.

Key Assumptions & Budget Estimates

The following are **key assumptions**:

- 174 school day attendance
- Local tax: non-reassessment year, \$3.6598 blended tax rate (same as FY22), 4.7% CPI, .4% AV increase, \$7M new construction, and 97.20% collection rate. Tax rates are finalized in September so the budget is an estimate.

- Basic Formula: \$6,375 SAT, 1.092 dollar value modifier, 175 ADA for 2022 summer school, and 9,651 WADA based on FY20 WADA. Normally the district must choose the most favorable WADA from FY21 though FY23, but DESE is making an exception to allow FY20 to be used.
- Sales tax: \$1,258 reimbursement per WADA, and 9,647.9 WADA based on FY20. Normally FY22 WADA must be used but DESE is making an exception to allow FY20 to be used.
- ESSER II & III (Elementary & Secondary School Emergency Relief) revenue budget is \$4.7M.
- Investment earnings is based on .36% current MOSIP money market rate
- Health insurance assumes 9.5% rate increase plus coverage changes
- Gasoline/diesel use of 171,000 gallons at \$5.00 per gallon
- Electric/heating fuel is flat due to replacement with energy efficient HVAC systems that have so far been somewhat offsetting rate increases

The following are **key estimates** for data that is unavailable until after FY23 begins. Once actual data is available then budget adjustments may occur. Examples are:

- State revenue withholding due to budget shortfalls for basic formula, sales tax, transportation
- Tax levy assessed value that is finalized in September by the county
- A 174 day school year that could be shortened due to Covid 19
- Title I, II, and III federal allocation adjustments
- Final FY22 enrollment which impacts FY23 sales tax and Basic Formula
- New year September enrollment for VICC students
- Unforeseen facility emergencies (HVAC failure, leaking roofs.....)
- Gasoline price fluctuations on 170,000 gallons of fuel
- Negative medical insurance claims experience that could raise medical rates

Cash Flow Summary (see section #2)

Operating Funds:

Operating funds consist of the General Fund #110 plus the Teacher Fund #120. These funds are used for the ongoing daily operations of the district. It is very important to distinguish between operating fund results versus non-operating fund results as they each represent very different meanings.

Operating loss is break-even in **FY23**, improving from the FY22 forecast loss of \$.6M. However this is deceiving. The preliminary operating loss for FY23 was \$2.0M which is worse than FY22 forecast. The district is using \$2.0M more of COP reallocation funds, than originally planned, to cover this loss and get to break-even. See footnotes on page 1 of the Cash Flow section which explains this more fully. Page 4 and 5 show the FY22 original COP reallocation plan and the FY23 adjusted plan.

The cash reserve % is calculated by dividing the operating fund end of year cash balance (June 30 balance) by the annual operating fund expense for that same fiscal year. The lowest point of cash balances for the district is early December where cash balances in recent years have ranged from 3% to 10% until county tax revenue is finally received.

Ending cash balance for operating funds is \$35.6M for FY23 and \$35.6M for FY22 as well since the budget is break-even. Obviously, any difference in actual FY22 ending year cash compared to the forecast will carry over to adjust FY23 budgeted cash.

Cash reserve % is 30.3% for FY23 and 32.0% for FY22 forecast. The previous years of cash reserve % are 35.9% in FY21, 36.2% in FY20, 30.3% in FY19, 28.8% in FY18, 26.7% in FY17, 25.0% in FY16, and 21.3% in FY15. The district has maintained healthy cash reserves in recent years. **Having proper cash reserves now enables the district greater flexibility to avoid immediate budget cuts.** For example, during Covid the District faced a preliminary FY21 operating budget deficit of \$6M and never paused to consider cutting education programs since FY20 reserves were 36.2%

Non-operating Funds:

Non-operating funds consist of appropriated general funds, restricted debt funds, and restricted capital funds.

1. Appropriated funds consist of food service (fund #500), student activity (fund #600) and athletics (fund #700). Community donations, student fees, and federal/state reimbursements comprise the revenue sources. The funds are earmarked for specific purposes and do not represent taxpayer money.
2. Restricted debt funds for general obligation bonds (fund #300) and certificates of participation (fund #450), which are known as COP's, are funded by tax levies to pay off debt.
3. The restricted capital fund #410 receives money primarily from a portion of the Classroom Trust state revenue and a portion of the VICC program. This fund is restricted to use for capital disbursements.

The FY22 non-operating gain is \$7.3M due to food service gains plus timing differences of capital fund and debt fund revenues collected this year for expenses to be paid next year.

The FY23 non-operating loss is \$3.3M due to planned capital spending. Future years will show significant losses due to spending Prop S capital fund money that was received in FY21.

Debt Service Fund #300 represents Prop S general obligation bonds. \$37.7M bond proceeds were received in FY21 due to the 4/6/21 ballot that passed, authorizing a no tax increase bond. See section #6 for debt payment schedules. FY23 is budgeted to levy 12 cents for the debt payments with an offsetting decrease of 12 cents to the General Fund to net a zero tax increase.

COP Fund #450 is used to pay certificate of participation debt. Although it is debt, it differs from general obligation bond debt by the mechanics of how tax is levied to pay the debt. All the debt is paid off and the fund balance should be zero.

Capital Fund #410 receives Prop A funding of about \$780K from a temporary tax of about 4 cents that runs through tax year 2025. Also, the fund will receive a transfer from the general fund for \$1,750K to cover Prop R projects. The \$1.75M transfer helps "catch up" on under-funded capital projects, but reduces operating revenue. Finally, the fund will receive a transfer from the General Fund for \$1.8M as part of the COP Fund reallocation plan, plus the fund receives \$1.5M of tax levy that is reallocated from the General Fund as part of the COP reallocation plan (see cash flow page 4). See section #5 for capital project schedules.

Revenue (see section #3)

Total budgeted revenue is **\$134.4M** in FY23. FY22 forecast revenue is \$132.9. Thus, FY23 revenue is **up \$1.5M, or 1.2%**, from FY22 revenue. The larger changes include a \$3.0M decrease for food service as free meals to all students are discontinued. Offsetting the decrease is a \$2.0M increase for sales tax and \$1.7M increase for transportation.

There are 36 line items on the revenue financial statements. **The 3 largest revenues are local taxes, basic formula/classroom trust, and sales tax.** These items comprise over **80%** of the total revenue budget. The following revenues are key components to the budget. Significant budget assumptions, estimates and facts are highlighted. Amounts are estimates and actual results will vary from the estimates.

1. Local Taxes

Local taxes represent commercial and residential real estate and personal property taxes that are levied annually in the fall and are due to the county by December 31. Odd calendar years are reassessment years and even calendar years are non-reassessment years. **So taxes levied this fall are a non-reassessment year.**

Note the difference between **“tax year” versus “fiscal year”**. A “tax year” is based on the calendar year ending December 31. A “fiscal year” is based on the year ending June 30. So “tax year” 2022 is the period of 1/1/2022 – 12/31/2022, while “fiscal year” 2023 is the period of 7/1/2022 – 6/30/2023. So, the fall tax levy in 2022 is in fiscal year 2023.

St. Louis County uses 4 tax rates (residential real estate, commercial real estate, agriculture and personal property) and a blended rate (weighted average of the 4 rates).

- Local tax revenue **budget is \$78.2M, up \$.3M**, or .4% from this year.
- This line item comprises over **60% of the total revenue** budget.
- Key assumptions are 1) **\$3.6598** blended tax rate (\$3.8056 currently), 2) **.4% AV** (assessed value) increase, **\$7.0M** new construction, 4.7% CPI (inflation), **\$80.5M** tax levy of which **97.20%** is collected.
- The tax rates and tax levy is based on state auditor calculation schedules.
- Most tax revenue is recorded to the General/Teacher Fund, except Prop A 3.47 cents is recorded to the Capital Fund, 7.15 cents is recorded to the Capital Fund according to the COP Fund reallocation plan (see cash flow page 4), and 12 cents is recorded to the Debt Service Fund to pay off Prop S bonds.
- **1 cent of tax levy equals \$213K** revenue based on a 97.2% collection rate.
- Tax rates are presented for **board approval at the September tax rate hearing**. Tax rates are required to be **filed with St. Louis County by September 30th**.
- The blended tax rate consists of a **permanent tax rate** budgeted at \$3.6251, and a 10 year **temporary Prop A tax rate** budgeted at \$.0347 that runs through the fall 2025. Prop A was passed for 4 cents but the Hancock amendment will adjust that rate annually based on statutory calculations.
- The current year blended tax rate is \$3.6598 and **ranks 22nd lowest out of 22** (last place) total county school districts. The 21st ranked district is Ladue at \$3.6936.
- The last 6 **non-reassessment** years have averaged a **.4% AV** increase, compared to the last 6 **reassessment** years which have averaged a **3.3% AV** increase.
- For tax year 2008 AV totaled \$1.884B. Then the recession hit in 2009 and AV declined 4 out of 5 years. **AV did not reach \$1.884B until tax year 2019, 11 years after the recession.**
- Through FY21, the levy collection % averages **97.25%** the last 3 years, and also averages **97.18%** the last 10 years. FY23 budget is **97.20%**.

2. State Basic Formula/Classroom Trust

- Basic formula/classroom trust revenue budget is \$15.6M, **down \$.4M**, or 2.5%.

- These 2 line items comprise over **10% of the total revenue** budget.
- Key assumptions are **\$6,375 SAT** (state adequacy target), **1.092 DVM** (dollar value modifier), **175 ADA** for 2022 summer school, and **9,651 WADA based on FY20 WADA**. Normally the district would have to choose the most favorable WADA from FY21 through FY23, however **DESE made an exception** and will allow FY20 to be used.

3. Proposition “C” Sales Tax

- This is a statewide half cent sales tax and is based on the preceding year WADA.
- Sales tax revenue **budget is \$12.1M, up \$2.0M, or 20.3%.**
- Key assumptions are 1) instead of using prior year WADA, DESE is making an exception to allow **FY20 WADA** to be used which is **9,647.9** (this differs from formula FY20 WADA due to different calculation methods for formula vs. sales tax). Also, 2) **per WADA reimbursement is \$1,258.**

4. Desegregation (VICC)

Revenue is budgeted to **decrease \$83K**. The maximum reimbursement for VICC students is \$7,000. FY23 student count budget is 152 for FY23 compared to 184 for FY22. FY22 true up was a revenue decrease of \$172K while FY23 budgeted true-up is \$18K (FY22 actual student count versus FY22 estimated count at the beginning of the year).

5. Other Local Revenue

Other revenue consists of building and facility use rental fees, field trip/student activity fees, and E-rate reimbursements for qualifying technology expenses.

6. State Transportation

Reimbursements are estimated to **increase \$1.7M** based in increased state funding.

7. State - Early Childhood

The District is reimbursed one year in arrears for this expenditure. Usually 100% of expenses are reimbursed the following year.

8. Federal – school lunch and breakfast

Revenue represents a full 174 day school year but decreases \$4.9M due to the discontinued program for providing free meals to all students. This is partially offset by increasing student fees for meals by \$1.8M for a net decrease of \$3.1M.

9. Federal Programs

Program grants are updated in September and finalized next January. The budget will be then be adjusted to show the update. Title I funds are used for reading at Bierbaum, Beasley and Forder elementary schools. Title II funds are for teacher professional development. Title III is for limited English proficiency instruction. Title IV is student support and academic enrichment for mental health services and supplies. CTE is for student career and technical education. The Perkins grant helps students prepare for post-secondary institutions.

10. Federal Other

\$4.7M revenue is budgeted related to ESSER II/III (Elementary & Secondary School Emergency Relief) reimbursements that offset expenses for a net zero impact to operating funds.

Expense (see section #4)

Total budgeted expense is \$149.3M in FY23, up \$23.1M or 18.3% from FY22 forecast, but most of that is due to non-operating expense for Prop S capital projects. Operating expenses increased \$6.3M which is all due to salaries and benefits.

The following key budget expenses are summarized below.

1. Salaries

Total salaries **increase \$4.3M, or 5.7%**.

Certified salaries increase **\$2.0M** due to:

- \$1.0M for one step
- \$.4M for base additions
- \$.4M for FY09 frozen step restoration
- \$.1M for supplemental salaries
- \$.6M net retirement savings are offset by channel changes, ESSER increases, and admin increases
- Returning teacher increases are 3.7%, admin increases are 3.5%

Classified salaries increase **\$2.3M** due to:

- \$750K to **restore 80% of 40 open positions** (excluding non-operating fund food service)
- \$144K for **3 added staff** (IT, boiler room tech, Community Ed Director)
- \$67K increase for transportation **funded by ESSER**, so zero net expense
- \$49K for **admin raises of 3.5%**
- \$320K for **1 step of 2.0%**
- \$985K (\$820K operating fund salaries, \$165K food service salaries) to **increase pay rates** of staff pay schedules that rank below average within STL County districts
- If there were not excessive open positions in FY22, then FY22 salaries would be higher, the FY23 increase would be lower, and **total district salary increase would be 4.7% instead of 5.7%**

2. Benefits

Benefits increase \$2.0, of which \$.9M relates to the salary increases. \$1.1M increase is due to increasing health insurance rates 12.0% in calendar 2022 (\$450K impacting July – December) and 9.5% increase in calendar 2023 (\$417K impacting January – June) plus \$267K for filling 80% of the 40 open positions.

3. Purchased Services & Supplies

The budget for purchased services and supplies is \$20.2M compared to \$20.3M for FY22 forecast, so no net increase.

4. Capital (see section #5)

The capital **budget is \$14.8M** and is detailed in the 5 year capital plan shown in the capital section #5. The capital expense is budgeted for \$2.5M for the purchase of the Lemay Ferry property using **regular capital** funds, \$9.7M for projects using **Prop S** funds, \$1.75M for projects using **Prop R** funds, and \$850K for projects using **Prop A** funds.

FY22 budget also provides 5 new buses, 1 facility truck, 1 facility van, 1 transportation fuel truck, and 1 technology van. Prop R projects include asphalt, roofing, and security cameras. Prop A projects are for roofing and HVAC. Prop A provides a ten year 3.5 cent temporary tax

that will sunset after the 2025 tax year. Those funds are targeted to be spent on roofing and HVAC needs. Prop R contributes \$1,750K funding by transferring funds from the general fund to the capital fund. Additionally, about **\$6.3M will be placed into the Capital Fund from the COP Fund reallocation plan**. This money will be **set aside for future HVAC needs** that total about \$30M around FY26 timeframe.

5. Debt Service (see section #6)

The District paid \$12.0M of COP debt (Certificates of Participation) principal in FY21 and \$267K interest expense, and the ending year debt balance is zero. There is zero COP debt.

The District passed a ballot on April 6, 2021 that authorized a no tax increase general obligation bond for \$35M with a 12 cent tax levy. The actual proceeds were received June 3, 2021 for a total of \$37,708,737 that included the \$35M plus the related premium. The cost of issuance is \$324,750. The tax levy is budgeted to increase the debt service tax levy by 12 cents in FY22 and is offset by a voluntary 12 cent reduction to the General Fund to net a zero tax increase.

FY22 beginning balance debt is \$35.0, all of which is the bond debt. The bond debt pays zero principal in FY22 and pays \$782K interest. FY22 ending debt balance is \$35M.

It is noteworthy that with the passage of the Prop S \$35M bond issue, that **Mehlville still ranks last out of 22 county districts for outstanding debt per student**. The bond is a big boost to the district, but still ranks last in investment in infrastructure.

Forecast (see section #7)

A forecast is not prepared for FY22 budget due to the explanation mentioned earlier.

Supplemental Data (see sections 8 through 13)

Additional data has been provided to allow for more detailed understanding of district historical data and for future district planning.

Other

District enrollment in January 2022 is 9,738 compared to 9,588 in January 2021. VICC student enrollment is 180 in January 2022 compared to 212 in January 2021.

2. CASH FLOW SUMMARY

**MEHLVILLE SCHOOL DISTRICT
Budget Overview
FY2023**

	FY22 Forecast	FY23 Budget		Inc(Dec)	%	
Cash Reserve %	32.0%	30.3%		-1.7%		
Operating Fund Gain(Loss)	\$ (595,000)	\$ 14,000	see Note 2	\$ 609,000		(includes \$2.0M less COP reallocation per Note 4)

						4.0% 10 year avg. per year increase
						see Note 1

see Note 1	Finance Dashboard	Rank out of 22 STL County Districts	Description
	Tax Rate \$	3.6598	22nd (last) Taxes provide over 60% of total district revenue
	Operating expense per student \$	10,082	21st Represents operating spending for student education
	Debt per student \$	4,069	22nd (last) Represents debt financing for infrastructure spending

Summary Notes and Assumptions

Note 1: Mehlville is the 4th largest enrollment of 22 STL County districts. Rockwood, Parkway and Hazelwood all have higher tax rates.

Rockwood and Parkway also have similar or higher assessed value. If Mehlville's tax rate matched Rockwood, it would increase 46 cents and add \$9.8M revenue per year. If Mehlville's tax rate matched Parkway, it would increase 34 cents and add \$7.2M revenue per year. Historical trends above show that expenses increase faster than revenues. The district ranks last or next to last in tax rate and spending. Tax revenue must be increased or else major cuts will be needed in the future.

Note 2: The preliminary FY23 operating net loss was \$2.0M. So, the COP reallocation plan (see page 5) was revised to reduce the capital allocation by \$2.0M (\$3.3M is transferred from the General Fund to the Capital Fund instead of \$5.3M) which brings the net loss to near break-even. The COP reallocation is revised by adjusting the Capital Fund levy amount. See Note 4 below.

Note 3: FY23 non-operating net loss is detailed below:

Food Service	(894,000)	\$666K capital projects for kitchen updates; plus free meals to all students is discontinued
Activity Funds	-	
Capital	(14,148,000)	Prop S projects are budgeted for \$17.3M
Debt	170,000	Revenue is based on a 12 cent tax levy and expense is based on debt pay schedules
Total	(14,872,000)	

Note 4: Fund transfers are budgeted for 1) \$1,750K recurring annual Prop R transfer from General Fund to Capital Fund, 2) food service capital expenses transfer from Food Service Fund to Capital Fund, and 3) \$1,800K for the COP reallocation transfer from General Fund to Capital Fund which is \$450K less than originally planned. Also, the COP reallocation was revised to decrease the tax levy to the Capital Fund by \$1.5M which increases General Fund revenue by \$1.5M. Thus, the COP reallocation revisions increase operating gain by \$2.0M.

Note 5: Total funding for ESSER II is \$4.1M (must spend by 9/30/22) and for ESSER III is \$9.1M (must spend by 9/30/23). FY23 budget expense is \$4.7M (3.0M salaries/benefits, .6m services/supplies, 1.1M capital) compared to \$3.5M forecast for FY22. Revenues offset expense so the net budget impact is zero. 20% of ESSER III must be spent on learning loss mitigation. Remaining funds are spent on HVAC, capital projects identified for Prop S that exceed the bond issue, and virtual education. Spending may be extended 1 year after the original due date.

Total	43,837,289	(5,582,381)	37,187,258	5,873,300	6,650,000	17,940,660	67,651,276
	Total Additions to Capital Fund =		12,523,300	(Capital Levy + Transfers to Capital)			

Note: The 45.25 cent tax levy for COP Fund debt is reallocated in FY23 to Debt Service, General, and Capital Funds.

The Debt Service Fund receives 12 cents per year (\$2.6M) to pay Prop S bond debt.

The General Fund receives a net 15.6 cents (\$3.3M) in FY23.

The Capital Fund receives 7.1 cents (\$1.5M) in FY23.

This plan accumulates \$12.5M capital funds during FY22 - 25 to be reserved in the Capital Fund for upcoming HVAC needs of over \$30M. The initial plan reserved \$23M before this revision.

This plan has been revised from the original plan set forth in FY22 budget due to historical inflation, revenue stagnation with state funding of formula, and statewide resetting of tax rates that reduced district revenue by \$1.0M per year permanently. These combined factors made it impossible to meet budgetary needs especially combined with the fact that the Finance Dashboard shows the district ranks last in tax rate, next to last in operational spending, and last in debt financing for infrastructure when compared to the other 22 STL County districts.

Mehlville School District
COP Fund Tax Levy 45.25 Cent Reallocation Plan
FY22 Budget

1 cent of tax levy = \$ 219,411 (March estimate)

FY28	7,295,068	(295,068)	7,000,000	-	295,068	2,632,932	9,928,000
Total	40,840,151	(12,840,146)	28,000,005	10,225,358	12,840,146	18,430,536	69,496,045

Total Additions to Capital Fund = 23,065,505 (Capital Levy + Transfers to Capital)

Note: The 45.25 cent tax levy for COP Fund debt is reallocated in FY22 to Debt Service, General, and Capital Funds.

The Debt Service Fund receives 12 cents per year (\$2.6M) to pay Prop S bond debt.

The General Fund receives a net 4.5 cents (\$1M) in FY22, then \$1M is added each year through FY28.

The Capital Fund receives 28.75 cents (\$5.3M) in FY22, then is reduced \$1M each year through FY28.

This plan accumulates \$23.1M capital funds during FY22 - 28, and will be reserved in the Capital Fund to be used for upcoming HVAC needs that initially were estimated at \$30M.

Also, expenses historically outpace revenues. This plan provides 7 years of boosting revenue an additional \$1M per year to help avoid operating fund deficits. Budgets should be managed each year to minimize or avoid deficits especially since \$1M revenue is temporarily added each year.

This plan addresses continuing viability of ongoing educational operating plans plus upcoming capital expense challenges that faces the District.

The District must get longevity out of the 45.25 cent COP reallocation and do whatever is necessary to avoid significant operating deficits. The District must stay disciplined and resist temptation to add more than planned to General Funds per year.

Key Events

FY14 - Full day Kindergarten was implemented which increased WADA; Riverview Gardens student tuition started
FY17 - Prop R revenue netted \$8.1M from 49 cents tax increase (which means revenue increased 8.7% instead of 1.1%)
FY17 - Prop A revenue of 4 cents replaced the debt service 4 cents (\$664K approx)
FY20 - Covid 19 shortened the school year to 129 days and resulted in reduced state funding.
FY21 - Covid related CARES revenue totaled \$1.8M of which \$1.5M covered non-covid operating expenses (gasoline, textbooks...)
FY21 - Prop S bond proceeds of \$37.7M.
FY22 - FY23 - Includes ESSER funding of \$3.6M in FY22 and \$4.6M in FY23.

Historical Trend FY14-FY23

Revenue **2.7%** per year trend (10 years) (growth is 1.7% if \$8.1M Prop R in FY17 is excluded)
(growth is 1.4% if temporary ESSER funding AND Prop R is excluded)
CPI % **1.8%** per year inflation average
Inflation Deficit (000's) **\$ 1,321** per year deficit for Inflation % > Revenue % (revenue % - CPI %, x revenue budget)
Inflation Deficit % **0.98%**

Summary

- About 85% of total revenue** is comprised of local tax, sales tax, basic formula / classroom trust, early childhood, and VICC. FY23 total revenue increases \$1.5M, or 1.2%. Food service decreases \$3.0M (free meals to all students discontinued). ESSER/ federal programs net a zero change, although revenues and expenses would offset. Revenues increase by \$2.0M for sales tax (see below), \$1.7M for transportation funding increases, \$.3M for investment earnings (higher interest rates), and \$.3M for delinquent taxes.
- Local tax budget is \$78.2M, up \$310K or .4%.** Calendar 2022 is a non-reassessment year. The budget assumes 1) \$3.6598 blended tax rate (same as FY22 and ranks last of 22 county districts), 2) 4.7% CPI, 3) AV increases .4% and \$7M new construction, and 4) 97.20% collection (3 year average is 97.25%; 10 year average is 97.18%). Tax rates are finalized in September.
- Basic formula/classroom trust budget is \$15.6M, down \$.4M or 2.5%.** The budget assumes 1) \$6,375 SAT, 2) 1.092 dollar value modifier, 3) 175 ADA estimated for 2022 summer school, and 4) 9,651 WADA which is based on FY20 WADA. The District can normally choose the most favorable WADA between FY21, FY22, or FY23. However, DESE is making an exception and is allowing FY20 WADA to be used, which is \$2.0M more favorable than estimated FY22 WADA.
- Sales tax budget is \$12.1M, up \$2.0M or 20.3%.** The budget assumes reimbursing \$1,258 per WADA, and uses FY20 WADA of 9,647.9 as an exception allowed by DESE. Normally FY22 WADA would be used, but this exception is made due to pandemic fluctuations with WADA.
- The ESSER revenue budget** is \$4.7M compared to FY22 forecast of \$3.5M.

Estimated 2022 Tax Year Assessed Value (non-reassessment year)

FY12-22 Avg **2.88%** **-5.80%** **1.51%** **2.63%** **2.62%**

• 1 cent tax: FY22 = \$213K revenue budget, FY21 = \$200K revenue, FY20 = \$200K (AV / \$100 * .01 * 97% collection)

• Odd number tax years are reassessment years / even years are non-reassessment. Tax year 2022 is non-reassessment.

• Last 6 reassessment years ("odd" tax years) = 3.3% average increase, 4 (+) years, 2 (-) years

• Last 6 non-reassessment years ("even" tax years) = .4% average increase, 5 (+) years, 1 (-) year

• After 2008, AV declined and took 11 years to surpass 2008 amounts.

• Local taxes comprise over 60% of the total revenue budget

Local Taxes - FY23 Budget (Tax Year 2022)

State Auditor Tax Calculation:

		(Tax 2021) FY22 Actual	(Tax 2022) FY23 Budget	Inc (Dec)
State	Blended Tax Rate - Permanent	\$ 3.6251	\$ 3.6251	
State	Blended Tax Rate - Prop A Temporary	0.0347	0.0347	
State	Total Blended Tax Rate (see Note 1)	\$ 3.6598	\$ 3.6598	-
				(1 cent = \$213K revenue)
County	Assessed Value (000's)	2,189,840	2,198,600	0.4%
County	New Construction (000's)	8,323	7,000	
State	CPI Index	1.40%	4.70%	
	Tax Levied (000's)	80,143	80,464	0.4%
	Collection %	97.20%	97.20%	
	(3 yr avg = 97.01%, 10 yr avg = 96.89%)			
		(forecast)	(budget)	
	Tax Revenue (000's)	77,900	78,210	\$ 310
				0.4% Change \$

Note 1) The 2021 blended tax rate of \$3.66 ranks **22nd out** of 22 county districts.

Note 2) IF: AV > 0% but < CPI % Then: tax rate is unchanged (residential and commercial)
 IF: AV < 0% Then: tax rate increases (residential and commercial)
 IF: AV > CPI % Then: tax rate decreases (residential and commercial)
 Personal property increase/decrease and new construction are taxed without limitations.

Note 3) **Tax year 2022 (FY23) revenue budget increases only \$310K, or .4% despite 4.7% inflation in 2021 since this year is a non-reassessment year. The following year is an assessment year, so assessed value (AV) will be updated to current rates. However, the following year revenue is limited to the 2022 inflation %, so the district will never capture the 2021 inflation amount. The 2021 inflation of 4.7% that is not captured equates to \$3.3M of lost revenue.**

				See Note 1	

Note 1 > Normally, DESE allows a district to use the most optimal WADA between current year (FY23), prior year (FY22), and 2nd prior year (FY21). Per above, WADA for FY22 and FY23 must be estimated. FY21 WADA of 9,058 is actual. The FY22 WADA estimated at 9,365 is the highest of the 3 years. However, DESE is making an exception and will allow FY20 WADA to be used. So, 9,651 WADA will be budgeted. This exception results in \$2.0M additional revenue versus the FY22 estimated WADA of 9,365.

3.02% Avg annual increase FY11 - FY21 (11 years)

Assumptions:

- WADA is based on FY20 actual which is allowed by DESE to use for FY23.
- FY23 per WADA reimbursement is estimated at \$1,258 per DESE.
- Sales tax comprises about 8% of the total revenue budget
- \$1 per WADA reimbursement = approximately \$9.4K revenue, thus a \$10 variance is \$94K

Note 1: Revenue = per WADA reimbursement times prior year WADA.

Key Events

Salaries have been frozen in FY95, FY09, and FY16

FY16 - incurred \$4M cuts before Prop R increases for FY17 (\$8.1M revenue increase from Prop R)

FY17 - expenses increased due to Prop R funds available of \$8.1M

FY18 - MOSAIC school of innovation was started adding \$450K recurring costs, \$150K start-up operating costs, and \$100K capital costs excluding food service capital costs of \$375K.

FY19 salaries include certified staff receiving 1 step, channels, \$500 base addition, Tier 3 \$100 increase, and 6 math specialists.

FY20 - Covid 19 shortened the school year to 129 days. Staff continued to be paid.

FY21 - Covid resulted in ELE, MS, and HS having different calendars for at school, blended school/home, and connected at home.

FY23 - Capital expense includes \$14.5M for Prop S capital project expense plus \$1.1M ESSER funded capital projects.

Historical Trend FY14-FY23

Expense 4.0% per year trend (10 years)

Summary

- Normally, over 75% of total expense is comprised of salaries and benefits. FY23 total expense increases \$23.1M, or 18.3%. Operating expense increases \$6.3M and non-operating expense is the remaining increase due to Prop S capital projects.
- The operating expense increase is due to \$6.3M for salaries and benefits. Total salaries increase \$4.3M, or 5.7%. Benefits increase \$.9M due to related salary increases plus \$1.1M for health insurance due to 9.5% rate increases.
- Certified salaries increase \$2.0M due to \$1.0M for one step, .4M for base additions, .4M for FY09 frozen salary restoration, and .1M for supplemental salary. \$.6M net retirement savings are offset by increases for channel changes, ESSER, and admin. Returning teacher increases are 3.7%, admin increases are 3.5%, and net district increase is 3.4% due to retirement savings.
- Classified salaries increase \$2.3M due to multiple issues and must be dissected. 1) \$750K is due to restoring 80% of 40 open positions. 2) \$144K is for adding a boiler room tech, an IT staff, and a Community Ed director. 3) \$67K is for transportation funded by ESSER, so zero net expense. 4) \$49K is for admin raises of 3.5%. 5) \$320K is for 1 step of 2.0%. Finally, 6) \$985K is to increase pay rates of staff pay schedules that will still rank below average within STL County districts. **If there were not excessive open positions in FY22, then FY22 salary would be higher, the FY23 increase would be lower, and total district salary increases would be 4.7% instead of 5.7%.** Although the \$2.3M total increase is higher than normal, the components of this increase are logical.
- Health insurance increases \$1.1M due to the 12.0% rate increase in 2022 (\$450K impacting July-Dec), plus a 9.5% rate increase for 2023 (\$417K impacting Jan - June), plus \$267K added for filling 80% of the 40 open classified positions.
- ESSER budget for FY23 is \$3.6M for operating funds, of which \$3.0M are for salaries and benefits, and \$1.1M for capital projects. ESSER FY22 forecast is \$3.5M for operating funds.
- FY23 gasoline is budgeted for 170K gallons at \$5.00 per gallon. About 65% usage is diesel; 35% gasoline.

			2,469,250
			\$ 2,469,250

Note 1: All COPS are paid off as of June 30, 2021.

Note 2: DNR debt was paid off early in FY18 to save \$5K interest and reduce annual payments by \$35K.

Note 3: The bus lease was paid off early in FY18 to save \$8K interest and reduce annual payments by \$113K.

Note 4: In 1993, \$48M was borrowed and the General Obligation bond debt was paid off by FY17.

Note 5: Turf debt was paid off FY16 and St. John's building was paid off FY17. Combined, the two payoffs free up \$286K annual expense which can go toward other capital projects.

MEHLVILLE SCHOOL DISTRICT
Forecast - Operating Gain(Loss) Analysis
FY24

\$	14,000	Operating gain(loss) prior year
	-	COP reallocation impact of reduced capital fund transfer
	1,789,000	Net operating fund revenue change inc(dec)
	(3,358,000)	Net operating fund expense change (inc) dec
	(1,569,000)	Change in net operating fund gain (loss)

see Note 1 **\$ (1,555,000)** Operating gain(loss) current year

Note 1> The COP reallocation shifts \$2.3M to the Capital Fund, which increases operating loss. This operating loss could be eliminated if less was allocated to capital, however that causes other funding problems.

Summary of change in net operating fund gain (loss)

1,000,000	COP reallocation reduces capital levy 4.95 cents from 7.15 cents to 2.2 cents
3,778,000	Local tax, excludes COP reallocation capital levy change (Assume: Reassessment year, AV up > 5.0%, CPI capped at 5.0%)
(896,000)	Basic formula decrease (SAT 6,440 up 1.0%, summer school ADA 175, WADA down 226)
(1,675,000)	Transportation decrease (assume funding reverts back to 25% funding instead of 75%)
(2,701,000)	Salary & benefits increase (see assumptions on Forecast Salaries & Benefits schedule)
(979,000)	Health Insurance increase
(840,000)	ESSER/Teacher Retention Grant/GYO Grant revenue decrease
840,000	ESSER/Teacher Retention Grant/GYO Grant expense decrease
(96,000)	Other
(1,569,000)	Change in net operating fund gain (loss)

Summary of net operating fund revenue change

1,000,000	COP reallocation reduces capital levy 4.95 cents from 7.15 cents to 2.2 cents
3,778,000	Local tax, excludes COP reallocation capital levy change (Assume: Reassessment year, AV up > 5.0%, CPI capped at 5.0%)
15,000	Sales tax increase (WADA decreases 75, per WADA reimbursement increases 2.5%)
225,000	M&M tax increase (1.7% assessment on commercial AV)
(896,000)	Basic formula decrease (SAT 6,440 up 1.0%, summer school ADA 175, WADA down 226)
(1,675,000)	Transportation decrease (assume funding reverts back to 25% funding instead of 75%)
134,000	ECSE
(285,000)	Grant decrease - teacher retention \$275K (other supplies), GYO \$10K (other services)
(555,000)	ESSER decrease (prof services)
1,741,000	Sub-total
48,000	Other
1,789,000	Total change

Summary of net operating fund expense change

2,701,000	Salary & benefits increase (see assumptions on Forecast Salaries & Benefits schedule)
979,000	Health Insurance increase
517,000	Services and Supplies (excluding ESSER and Grants) at 2.5% inflation
(75,000)	ESSER Salaries & Benefits (per ESSER tab on the revenue file)
(480,000)	ESSER professional services (per ESSER tab on the revenue file)
(285,000)	Grant decrease teacher retention \$275K other supplies, GYO \$10K other services
3,357,000	operating expense change

Note 1) The transfer to the Capital Fund is \$1,750K for Prop R and \$750K for COP reallocation.

MEHLVILLE SCHOOL DISTRICT
Forecast - Operating Gain(Loss) Analysis
FY26

\$ (3,080,000) Operating gain(loss) prior year

800,000 COP reallocation impact of reduced capital fund transfer from \$800K to \$0
1,866,000 Net operating fund revenue change inc(dec)
(3,868,000) Net operating fund expense change (inc) dec
(1,202,000) Change in net operating fund gain (loss)

see Note 1 \$ (4,282,000) Operating gain(loss) current year

Note 1> The COP reallocation shifts \$750KM to the Capital Fund, which increases operating loss. This operating loss could be reduced by \$750K if nothing was allocated to capital, however that causes other funding problems.

Summary of change in net operating fund gain (loss)

800,000	COP reallocation impact of reduced capital fund transfer from \$800K to \$0
1,380,000	Local tax (Assume: Reassessment year, AV up 1.75%, CPI 2.5%)
100,000	Basic formula increase (SAT 6,575 up 1.0%, summer school ADA 175, WADA down 75)
25,000	Transportation increase (based on 25% funding)
(2,468,000)	Salary & benefits increase (see assumptions on Forecast Salaries & Benefits schedule)
(977,000)	Health Insurance increase
(38,000)	ESSER revenue decrease
38,000	ESSER expense decrease
(62,000)	Other
<u>(1,202,000)</u>	<u>Change in net operating fund gain (loss)</u>

Summary of net operating fund revenue change

1,380,000	Local tax (Assume: Reassessment year, AV up 1.75%, CPI 2.5%)
210,000	Sales tax increase (WADA decreases 75, per WADA reimbursement increases 2.5%)
100,000	Basic formula increase (SAT 6,575 up 1.0%, summer school ADA 175, WADA down 75)
74,000	M&M tax increase (1.7% assessment on commercial AV)
25,000	Transportation increase (based on 25% funding)
142,000	ECSE
(38,000)	ESSER decrease (per ESSER tab on the revenue file)
1,893,000	Sub-total
(27,000)	Other
<u>1,866,000</u>	<u>Total change</u>

Summary of net operating fund expense change

2,468,000	Salary & benefits increase (see assumptions on Forecast Salaries & Benefits schedule)
977,000	Health Insurance increase
461,000	Services and Supplies (excluding ESSER) at 2.5% inflation
(38,000)	ESSER professional services decrease
3,868,000	operating expense change
-	other
<u>3,868,000</u>	<u>Total</u>

Plan B - Maximize General Fund Cash (reduce capital levies and transfers)

\$ 1,555,000 FY24 COP reallocation - add'l reduced transfer
800,000 FY25 COP reallocation - add'l reduced transfer

\$ 2,355,000 Additional General Fund Cash per Plan B
23.1% Cash Reserve per Plan B

				16 2037-38	July 2037	5	1		
82	Total					80	Purchases from FY23 thru FY38		
(see Note 1)				(see Note 2)					

Note 1: This section represents the bus fleet once the new year buses are purchased and old buses are sold. The number of buses by model year show the age of our fleet. **Industry recommends optimal bus replacement is after 14 years.** The district replacement target is 16 years due to historical budget constraints. If buses are not replaced timely, there are two negative consequences. First, child safety is at risk due to higher rates of buses stranded on the road. Secondly, older buses cost more since repair costs exceed the average annual bus cost when spreading the purchase price over a 16 year life cycle. Additionally, it is important to remember that DESE reimburses about 25% of the cost of buses over an 8 year period, so the average cost to the district is even lower. The replacement date column shows when each model year should be replaced to stay within the 16 year target.

Note 2: The life cycle purchase plan shows how many buses should be purchased each year, the date of the purchase, and how many buses in the fleet remain > 16 years old. Note that some future years show negative buses > 16 years. **That does NOT mean buses should not be purchased - they should .** It means that buses replaced in those years are merely 16 years old instead of 17 or more years old. **Remember in Note 1, industry standard is 14 years, so we are still more cost effective to be replacing 15 and 16 year old buses when opportunity allows.**

Note 3: Note that 1 new bus was purchased from FY10 - FY14. The next 5 years (FY15-FY19), 29 new buses were purchased. It is critical to appropriate funds for future bus purchases according to this plan to avoid future "catch-up" like the past. **The district should never again have a 5 year variance of 29-1.** It is strongly recommended in the future that a permanent, restricted capital levy be established to fund this cost.

*This proposed refresh cycle projects out the estimated life span of each piece of equipment listed and will be further updated each year.

*Fiscal year projections currently extend only to estimated life span of devices and will be updated as data is collected on longevity of devices.

*These are very rough estimates with amounts updated and revised each year with the goal being efficient, effective technology.

*These figures are derived with the goal of effectively replacing current supported technology.

*Current budget funding is projected to meet future technology needs.

Note 1> These items are capital expenses that fluctuate significantly from year to year and require capital funding.

Note 2> These items are operating expenses that are budgeted within the normal IT operating budget and normally have less volatility.

Key Events

Salaries have been frozen in FY95, FY09, FY13, and FY16

FY16 - incurred \$4M cuts before Prop R increases for FY17 (\$8.1M revenue increase from Prop R)

FY17 - expenses increased due to Prop R funds available of \$8.1M

FY18 - MOSAIC school of innovation was started adding \$450K recurring costs, \$150K start-up operating costs, and \$100K capital costs excluding food service capital costs of \$375K.

FY20 - Covid 19 closed the school 45 days for a 129 day school year. Salaries were paid despite staff not working.

However, PD was reduced along with other general expenses like transportation, utilities.....
